

UAMS
COLLEGE OF NURSING
UNIVERSITY OF ARKANSAS FOR MEDICAL SCIENCES

Dear New College of Nursing Student,

Congratulations on your conditional acceptance to the UAMS College of Nursing Bachelor's of Science in Nursing program. We look forward welcoming you into the UAMS family.

In order to assist you in being successful in the rigorous program, the College has developed a **pre-matriculation program** consisting of a variety of information and experiences. **This event will be May 21 and 22 in the Distance Learning Center Room 208 on the campus of the University of Arkansas Community College at Hope. The Preadmission Assessment Exam will be administered on May 22 from 1 – 5 pm.** Admission to the program is not dependent on your score on this exam. However, the exam provides us with information for class placement and your potential eligibility for the CON Honors Program. **Because this exam is so important to your program of study, it is imperative that you are present for this exam.** Additional information regarding this exam is attached. Information regarding the pre-matriculation program will be mailed to you soon.

During pre-matriculation you will have the opportunity to meet with senior nursing students and to meet several faculty members. Prior to Pre-matriculation, please send copies of your health records (pre-admission physical, TB skin test, Hepatitis B, etc and any certifications (former licensures, etc to:
